To Whom It May Concern

Re: Darren McIntyre — Jury Member and Workshop Presenter

It is with great pleasure that I write this letter of recommendation for Darren McIntyre, who served as a member of the jury for the Australasian Classical Gala and who also delivered a series of workshops for our students.

Darren was outstanding with the students. He brought enormous energy to every session while remaining unfailingly patient and generous with his time, and the students loved every minute of class with him. Nothing was ever too much trouble.

As an adjudicator, Darren was efficient and decisive, and his voice critiques were received exceptionally well by students and teachers alike as valuable, knowledgeable feedback. He was equally impressive as a team member, working easily and warmly alongside all of the other panel members throughout the event.

Darren struck exactly the right balance of professionalism, courtesy and genuine friendliness. We would recommend him without hesitation to any institution or professional event seeking a versatile, professional jury member, and it was a pleasure to have him with us.

We would very much look forward to working with Darren again.

Warmest regards,

Leanne Curtis
